Le dépistage dès la petite enfance favorise la préparation des enfants à la maternelle et favorise la santé et le développement.  
 Le dépistage de la petite enfance est exigé par la loi avant qu'un élève puisse fréquenter un jardin d'enfants public.

La detección en la primera infancia respalda la preparación de los niños para el jardín de infantes y promueve la salud y el desarrollo.  
 La ley exige la evaluación temprana de la infancia antes de que un estudiante pueda asistir al jardín de infantes público.
